

Application for membership

Dear Applicant,

Thank you for your interest in The Artists' Gallery, a cooperative fine arts and crafts gallery. We have been in existence since June 1992 and have developed a solid, growing base of local customers and a reputation with repeat tourist trade. You have the opportunity of expanding your market by displaying your work in our very visible location in historic downtown Flagstaff, and by getting involved with a unique, dynamic retail business.

Before submitting your application for juried membership, please read the requirements of membership on this application carefully. If you have any questions regarding Gallery membership or any of the requirements, please feel free to contact Ed Dunn, Jury Committee Chair at (928)607 2479.

The submission of your application is for preliminary consideration of your work. High quality photos of your work are very important in this process. Your application will be reviewed, and we will let you know your status as soon as possible. The Jury Committee meets monthly to review new applications. When we have an opening in your media, we will contact you and invite you for an individual interview session with the Jury Committee. At this time we will ask you to bring in actual work which is ready to display. Please do not submit actual work before this time. After the personal interview, we will let you know whether or not you have been accepted into The Artists' Gallery. We strive to select the work and the people we feel will best fit into the cooperative gallery setting.

Thank you for your interest in joining the Gallery, we look forward to reviewing your work and perhaps meeting with you.

Be sure to include: Your completed application form AND high quality photos of your work. Two ways to do this.
